

LIST OF THE LICENSES HELD BY ZARUBEZHNEFT GROUP IN THE RUSSIAN FEDERATION

In 2019, Zarubezhneft Group held the licenses efficient in the Russian Federation, as follows:

- nine NE licenses to produce hydrocarbons;
- six NR licenses for geological survey, exploration and production of hydrocarbons;
- two licenses to prospect and appraise hydrocarbon deposits.

A license auction took place on June 27th, 2019 for the purpose of geological survey, exploration and production of hydrocarbons at the Zapadno-Yareyaginsky site. JC RUSVIETPETRO LLC was the successful bidder.
